History of Winemaking

Min & Max Price by Year

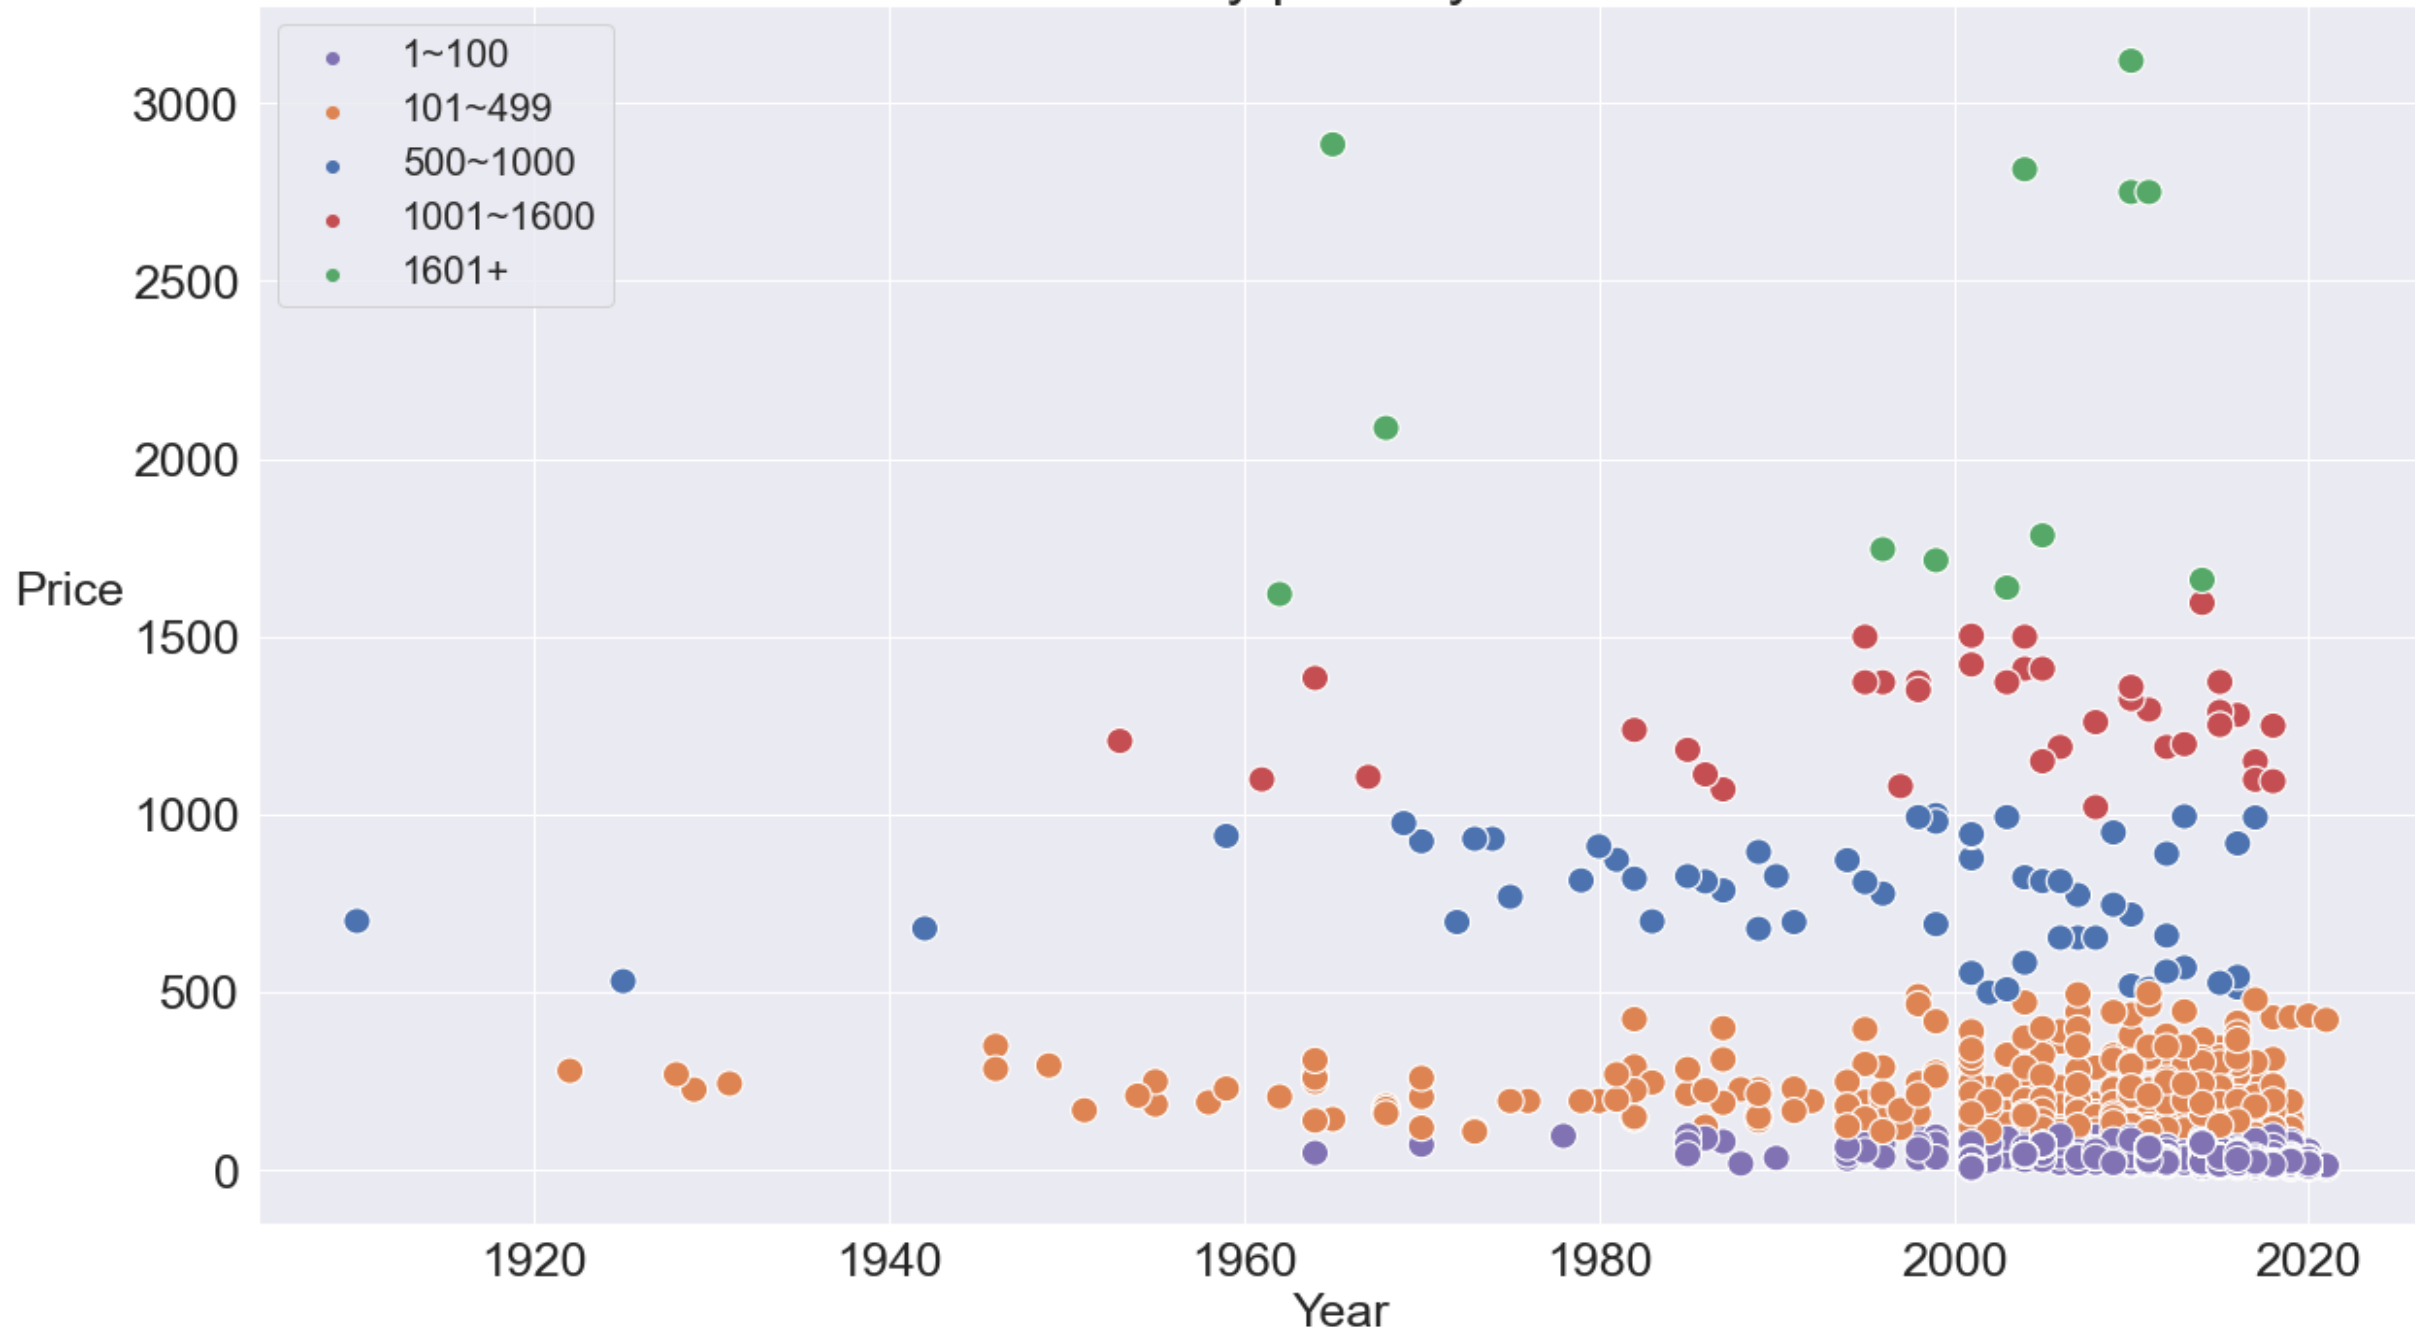

Rioja Reserva Especial 1922 - 280

Gines Liebana Pedro Ximenez 1910 - 701

History price by Year

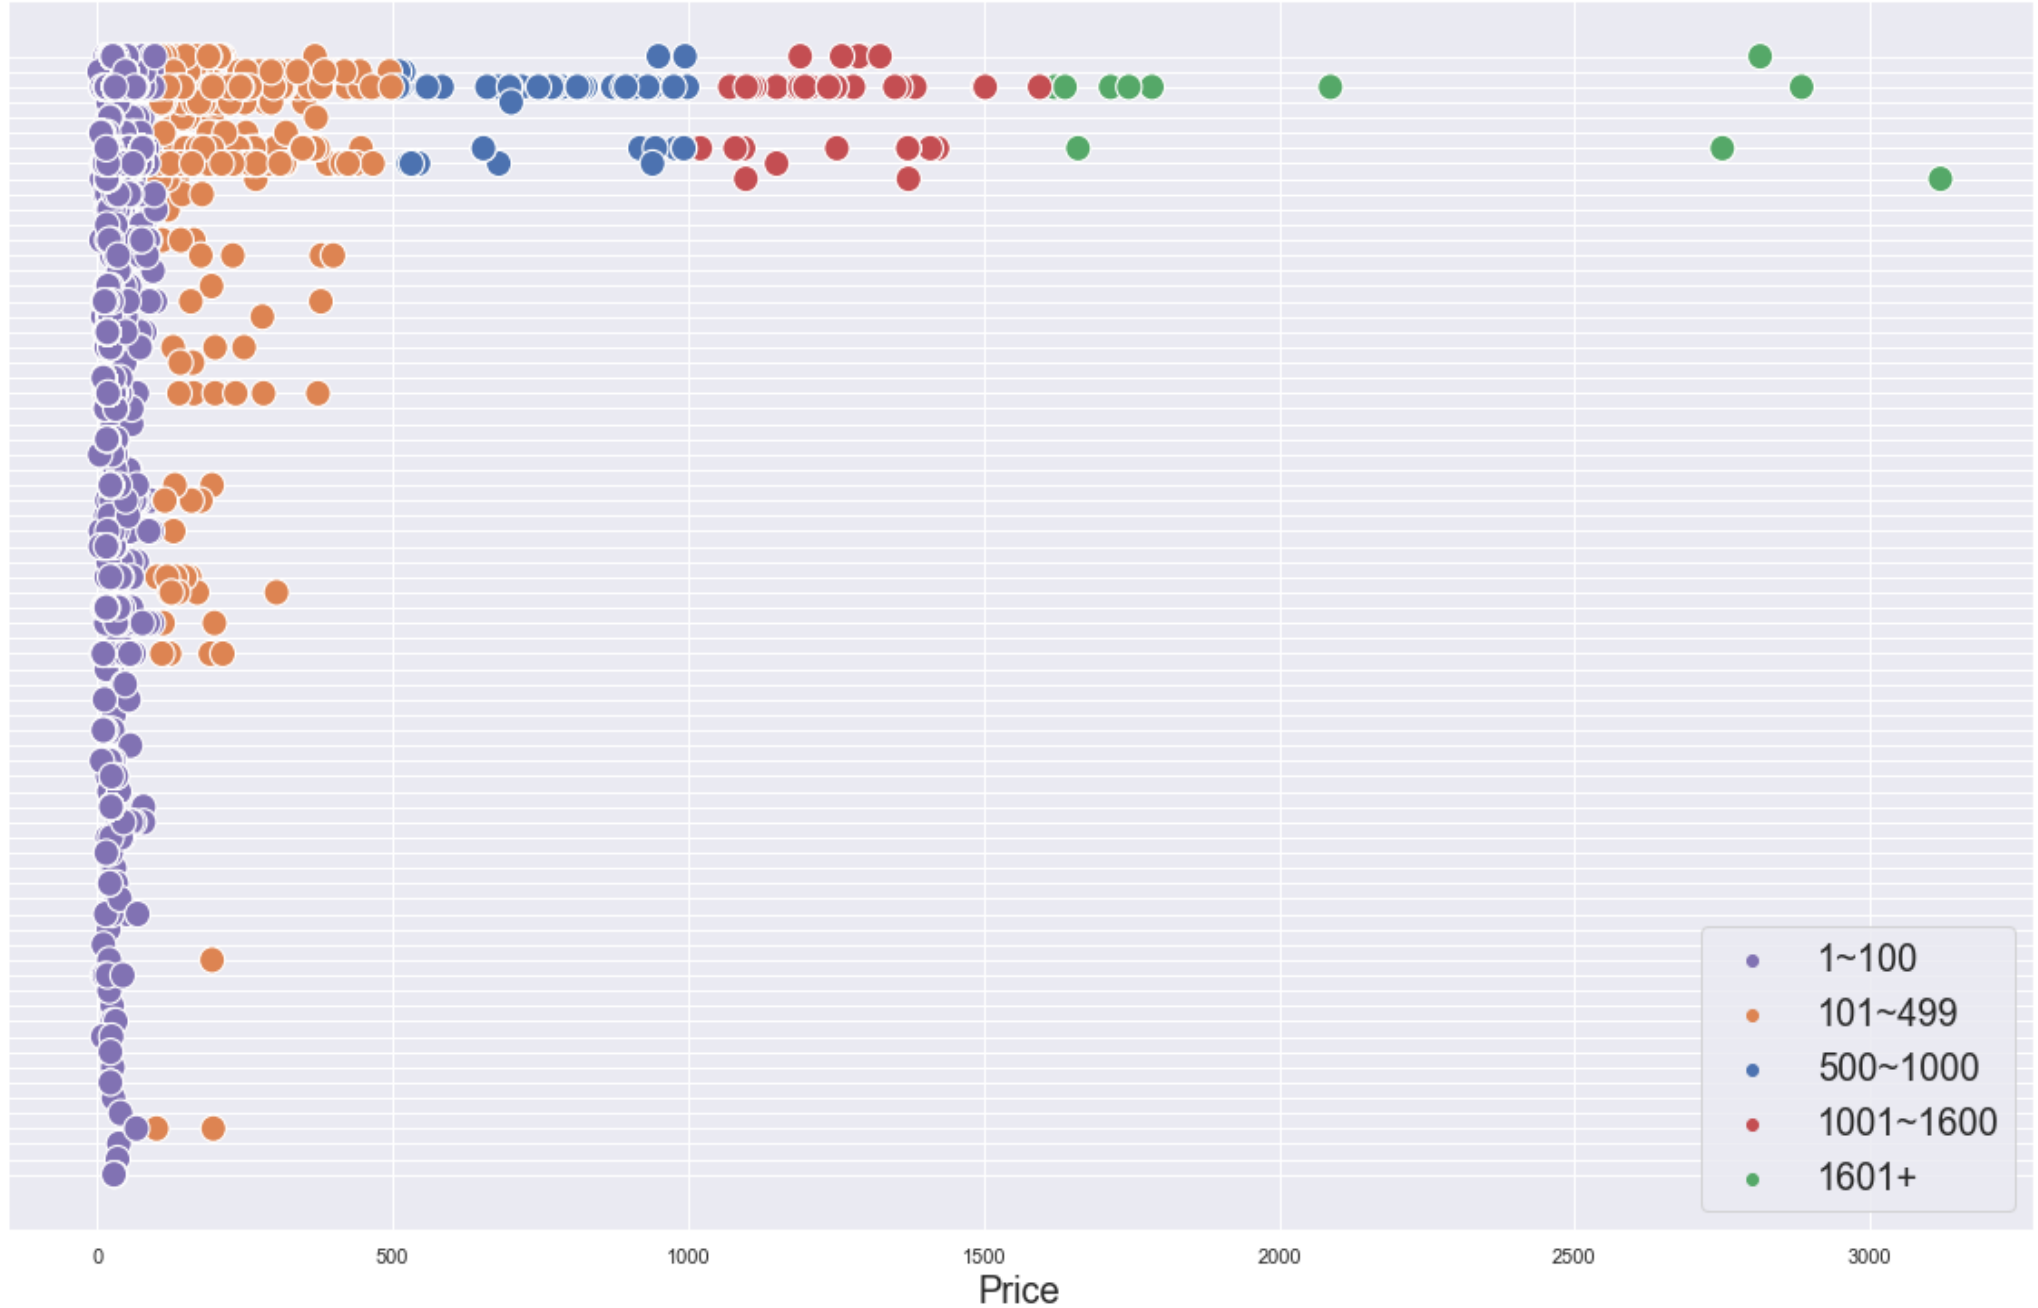

★ 4.0 Truffle coffee hits you in the face! Then big red black fruit trying to catch up, controlled Spaniard indeed! Big soft sharp velvety complex with its chocolate leather spices but everything in place under the surveillance of just the right amount of tannins....skill full winemaker very close to the French border near San Sebastián ...👍
